Six candidates to run in Nov. 3 Trustee Election

Six candidates are seeking four-year terms to fill seats for Trustee Positions 1, 2, 3 and 4.

Incumbents Tom Jackson of Copperfield and Christine Hartley of Fairfield are running unopposed for Trustee Positions 1 and 2, respectively.

The candidates for Trustee Position 3 are first-time candidate Dr. Natalie Blasingame of Copperfield - Southdown Village in Ballot Position 1 and incumbent Darcy Mingoia of Barrington Woods at Champions in Ballot Position 2.

First-time candidates Debbie Blackshear of Cypress Village in Ballot Position 1 and Pam Redd of Turtle Lake in Ballot Position 2 are competing for Trustee Position 4.

Voters can review candidate responses to questions on pages 4-16 to become more familiar with each of the candidates seeking to fill Positions 1, 2, 3 and 4. Their written responses are printed as submitted.
Early Voting begins Oct. 19

Early voting for the Nov. 3 General Election and the CFISD Trustee Election will begin on Monday, Oct. 19 and end on Friday, Oct. 30. Registered voters have the option to cast an early ballot in person at any early voting location. Several sites are located near the Cy-Fair area (see locations listed below). For additional early voting locations, contact the Harris County Clerk’s Office at 713-755-6965.

Each candidate was asked to submit responses to questions relevant to serving on a school Board. Their responses are printed on the pages that follow.
Spouse’s name: n/a

Children: Heather Katherine Jackson, 35, BA UCCS, Juris Doctor, Sturm College of Law, University of Denver, attended Lowery El., Fiest El., Labay MS.

Thomas Ash Jackson, 33, BENVD Univ. of Colorado, MA Washington University at St. Louis, HS graduation: Langham Creek HS, 2000, attended Lowery El., Fiest El., Labay MS.

Lauren Camille Jackson, 29, BA Univ. of Texas, Current School: Univ. of Texas, HS graduation: Langham Creek HS, 2004, attended Lowery El., Fiest El., Labay MS.

Occupation: President, Green River Oil

Subdivision: Copperfield

Years lived within CFISD: 35 years

Why did you choose to live in CFISD? When I was newly married, I chose to live in the charming community of Westbury, served by HISD. With the birth of my first child, I began a serious inquiry into the quality of the various school districts and my realtor suggested that we look in CFISD. We did and were pleased with the educational quality of the district and moved into Copperfield in 1980.

Are you currently a CFISD volunteer? If so, what school(s)? If not, have you been a CFISD volunteer in the past (include years)? I am currently a Trustee for CFISD and have served as a Director for TASB. I have been selected to the 2015 TASB Leadership class. I am a reader at Lowery, Copeland, and Fiest among others; I am a presenter to NAC at Langham Creek and Cypress Falls and Read 180 at Cypress Creek. I assist in the recognition of outstanding JROTC cadets at all high schools.

List your participation in CFISD school and/or district parent clubs, business partnerships and/or committees. Member of Cy-Fair Leadership/Legislative Committee, Chairman the last year. (2008-
Include any other areas in which you have supported CFISD not included in the previous question. My passion for education was a spark kindled by my parents who sacrificed mightily for their children to have a college education. I established a scholarship in the name of my parents with the Cy Fair Educational Foundation to assist students to pursue college at the University of Texas. I rigorously pursue continuing education, attend CFISD conferences, attend cocurricular district events, and periodically meet with teacher groups.

List Cy-Fair organizations in which you currently participate, including offices held. Cy Fair Chamber of Commerce, HSCPA, SAR, currently Texas Secretary, past president of local chapter; Bear Creek UMC.

Considering your skills and talents, what positive contribution would you make as a member of the Board of Trustees? As a C.P.A. with 38 years of experience, I bring analytical skills for review of financial matters and educational goals. Having formerly been a teacher and a contributing textbook editor I know the importance of supporting our teachers and students in the classroom. Having served 26 years as an elected official in different capacities I have learned the importance of being a public servant and the ability to help shape a common vision.

What are the responsibilities of the Board of Trustees? The primary responsibility is to help provide an educational vision for the District and be attuned to the concerns of the community regarding educational and financial issues. Trustees also serve as good stewards of taxpayer dollars and to help ensure that quality education is provided to all children of the district for the benefit of both parents and the community. The Trustees must plan not just for today, but also for the future.

What role do positive trustee relations on the Board play in affecting student success? Board members can demonstrate planning and awareness of issues through thoughtful questions and informed comments. Differences of opinions can be expressed in a cordial manner. Cordiality not only becomes a model for students and the community to emulate, but also creates an environment for management to flourish in developing strategies leading to enhanced student achievement. Students and taxpayers deserve a Board that strives to function as a high performing team.

What critical challenges face the district, and what are possible solutions to address those issues? The District continues to be financially penalized by having provided homeowners the optional homestead election and remains underfunded with respect to neighboring districts and the state average directly impacting the classroom. Resources can be increased through business community sponsorship and continued efforts to persuade state legislators to close the funding gap.

Evolving demographics requires classroom relationships and productivity to be enhanced through adherence to best practices, the prudent application of technology, and enhanced community support.
Christine Hartley, Position 2

**Place on Ballot: 1**

Spouse’s name: Jay Hartley

Children: Shana, 18, Louisiana State University, Cypress Ranch Graduate 2015
Hayden, 16, Cypress Ranch Junior
Brennan, 11, Salyards 6th Grader

Occupation: Adjunct Professor, Lone Star College Cy-fair
Marketing Coordinator, JPL Entertainment

Subdivision: Fairfield

Years lived within CFISD: Even though I feel like I have always been here, it is a total of 29 years.

---

Why did you choose to live in CFISD? As a child, my parents made that choice for me, and I am eternally grateful for that decision. As a parent myself, it was important that I give my girls an excellent education, while growing up with that small town feel. CFISD met all those needs and more.

Are you currently a CFISD volunteer? If so, what school(s)? If not, have you been a CFISD volunteer in the past (include years)? I currently volunteer at Cypress Ranch High School, and will be helping out at Salyards. My youngest just finished at Swenke, where I worked in many capacities.

List your participation in CFISD school and/or district parent clubs, business partnerships and/or committees. Currently I am a Trustee for the CFISD Board of Trustees, and serve on the Legislative Advisory Committee for the Texas Association of School Boards. I am also President of the Cypress Ranch Classics Parent Club.
Include any other areas in which you have supported CFISD not included in the previous question.

This is an interesting question, as there are many ways one can show support. As far as groups, being a Board member and President of a club takes up a great deal of my free time. In other ways, by spending time out in the district, and sharing stories and announcements digitally, I am able to support the district. I feel it is imperative that our parents and taxpayers receive as much information as possible.

List Cy-Fair organizations in which you currently participate, including offices held. CFISD Board of Trustees, Fairfield Baptist Church. Previously: Held positions or chaired committees at Spillane, Swenke, Ault and Salyards.

Considering your skills and talents, what positive contribution would you make as a member of the Board of Trustees? Over the past few years, I have come to know more closely the work that goes into being a positive addition to the Board. I believe that me being a mother with children still in the schools provides an enormous benefit to the situation. I am currently in the trenches with our parents and teachers, and I appreciate being able to be a voice for them.

What are the responsibilities of the Board of Trustees? The Trustees are a sounding board and questioning body for policy changes and financial decisions. The Board represents the parents and taxpayers in analyzing the need to bring about change based on what is best for the community, employees and students of the district. The Board must maintain an effective, efficient organizational structure for the district that lets the superintendent and administrators manage the schools, teachers teach and students learn.

What role do positive trustee relations on the Board play in affecting student success? When I listen to the news, I feel that public education is under attack. I strongly believe, as a Board Member, that it is my duty to safeguard public education and the children living in our district. We work with EVERY student in our district to achieve success. By fighting for our rights and equitable funding in Austin, to visiting schools and seeing firsthand the educational initiatives working in CFISD, Board members play a role.

What critical challenges face the district, and what are possible solutions to address those issues?

In my position at Lone Star College, I see the need for students to be secure with technology. Not just how to use a laptop, but how to use software that colleges and businesses require in learning/careers. Adding to the already full workload of our students/teachers will be a challenge, but I know that with our staff, resources, and creative initiatives, we will continue to produce young people ready for this 21st Century world.
Dr. Natalie Blasingame, Position 3

Place on Ballot: 1

Spouse’s name: Mr. Robert Blasingame (Retired from CFISD)

Children: Our daughter Madeleine (9) is a 4th Grader in Pine Shadows Elementary School’s Two-Way Dual Language Program, where she is excelling academically (on STAAR tests) while also becoming bilingual and biliterate. She has the opportunity to participate in a “Good News Club” after school, where she discusses her faith and fellowships with other classmates who choose to participate. We attend this public, district, Title I school by choice to personalize the education she receives.

Occupation: Assistant Superintendent leading the Interventions Office in Houston I.S.D.

Subdivision: Copperfield, Southdown Village

Years lived within CFISD: 14 years

Why did you choose to live in CFISD? We purchased a family home in CFISD 14 years ago because it offered great housing value in a safe, family-oriented community with good schools.

Are you currently a CFISD volunteer? If so, what school(s)? If not, have you been a CFISD volunteer in the past (include years)? I am a CFISD Global Volunteer, and support the powerful and precious “Adopt-a-School” partnership between Copperfield Church, Calvary Community Church, and Hairgrove Elementary School. The partnership provides support for events such as “Meet the Teacher”, carnival activities, mentoring, academic tutoring, school supplies, clothing, teacher materials, teacher appreciation, etc. It is a great example of the community coming around our Title I schools to “fill in the gaps” in partnership with our dedicated educators.

List your participation in CFISD school and/or district parent clubs, business partnerships and/or committees. I am called to serve children. I have spent 24 years in schools as a teacher, AP, principal, district leader, volunteer, and parent. In these roles I have been selected to serve on committees such
as the District Advisory and Principal’s Advisory. I have fostered productive business and community partnerships in these roles.

School-based volunteer positions include: PTO-VP of Programs, committee chair for teacher/staff appreciation and talent show, Mothers in Prayer International school liaison, etc.

Include any other areas in which you have supported CFISD not included in the previous question.
I invest in the well-rounded development of the youth of CFISD. Community-based volunteer positions include: Girl Scout troop leader, Sunday school teacher at Copperfield Church, Copperfield Dolphin swim team volunteer, etc.

List Cy-Fair organizations in which you currently participate, including offices held. The greatest office that I have held in preparation for school board leadership is the “Principal’s Office”. I know firsthand how decisions made at the board level can impact our ability to help students reach their full potential.

The second greatest “office” is that of mother. I know what I desire for my own child, and I will bring that same desire to this role for all children.

Considering your skills and talents, what positive contribution would you make as a member of the Board of Trustees? Our local district has significant latitude in shaping the educational programs of our schools. Our district faces a 49% low-SES population for the first time in our history. I offer 23 years’ experience in fostering strong educational outcomes for students in Title-I schools.

The board should operate as a conduit between our local schools and our community. I have experience engaging parents from diverse socio-economic and cultural backgrounds, supported by being fluent in Spanish.

What are the responsibilities of the Board of Trustees? Provide citizen governance/oversight for education at a point closest to the parent/child, acting for our district citizens.
Advocate for educational excellence for our youth, putting those interests first, ensuring that the district is moving in a positive direction, with a clear shared vision for our students, schools, staff, and supporting community.
Adopt comprehensive goals giving the system clear direction and monitoring the progress of the administration.
Adopt policy that provides a framework for district operations.

What role do positive trustee relations on the Board play in affecting student success? Trustees should bring time, energy, talent, and a spirit of teamwork to the role to make decisions that will help the children of our community. Trustees should actively seek and listen to the voices of our citizens- hearing celebrations and concerns- allowing trends to be surfaced. We should then respond as a team to expand the positive and address the negative. Cooperation is critical to success, with room for diversity of opinion and critical questioning.

What critical challenges face the district, and what are possible solutions to address those issues? We are an increasingly diverse community, with an achievement gap that will define our community and determine property values. A standardized versus individualized education no longer fits the bill. Innovation is needed.

Crime is on the rise; safety is a top priority. The solution to community safety is values-based education focused less on test preparation, and more on development of mind, body, and spirit. Democracy depends upon a citizenry where the majority can police themselves.
Why did you choose to live in CFISD? My husband Bob and I moved to CFISD because of its reputation. We wanted an excellent public education for our children and that is exactly what each received. Megan and Michael graduated from Jersey Village High School. After their graduations from Tulane University and the University of Texas at Austin, respectively, both began careers and are still employed as engineers. CFISD prepared them well for their successful college years and subsequent careers.

Are you currently a CFISD volunteer? If so, what school(s)? If not, have you been a CFISD volunteer in the past (include years)? I currently serve on the CFISD Board and have had the opportunity to visit and volunteer at almost 50 of our campuses during my three-year tenure. I particularly enjoy reading to students and absolutely love the National Education Association’s “Read Across America” on the birthday of Dr. Seuss. In addition, I am a Mentor at Campbell Middle School and a CFISD Global Volunteer.
List your participation in CFISD school and/or district parent clubs, business partnerships and/or committees. When my children were in school, I was active in PTO, including serving as President; and in booster clubs – including serving as President of Gold Dusters and Treasurer of Falcon Band. Jersey Village High School nominated me and I was subsequently named a “Hometown Hero” by Warner Cable in 1996. When I worked as President of the Cy-Fair Houston Chamber of Commerce (1998-2007), I served on bond, calendar, career and technology and legislative committees.

Include any other areas in which you have supported CFISD not included in the previous question.
I was a Trustee of the Cy-Fair Educational Foundation for 18 years and have a scholarship endowment. Currently, I am serving as an Auxiliary Trustee and coach scholarship recipients in their freshman year at college. At the Cy-Fair Chamber I led several education-related initiatives, including the campaigns to create Lone Star College-CyFair and to adopt the Freeport Exemption. I was a CFISD substitute teacher from 1986-1990 and served on Jersey Village City Council from 1989-1993.

List Cy-Fair organizations in which you currently participate, including offices held.
Barrington Woods at Champions HOA, Secretary
American Heart Association – Northwest Harris County Division, Volunteer
American Association of University Women – North Harris County Branch, Member
Champions Women’s Club, Member

Considering your skills and talents, what positive contribution would you make as a member of the Board of Trustees? Our community must support the quality of CFISD. It is a far easier task to educate young people so that they can be gainfully employed than to deal with the wide spectrum of social issues if they are not. I believe my business skills, strategic thinking and the wide variety of roles I have experienced as a parent and volunteer have served the District and School Board well and will continue to do so.

What are the responsibilities of the Board of Trustees? The Board of Trustees has governance responsibilities including approving budgets, contracts and personnel appointments as well as hiring and evaluating the Superintendent, attorney and internal auditor. The board must establish and review educational standards and goals. The board must always act to provide the best academic opportunities in healthy and safe school environments. Lastly, the board represents and reflects the community in its work with the administration.

What role do positive trustee relations on the Board play in affecting student success? A team, all committed to increasing the quality of CFISD and considering students’ best interests, will always achieve and accomplish more than a divisive, disruptive group of individuals focused on distinct, different, and competing goals and interests. I have been privileged to serve with the current board members in collaborative student-focused work. We were recently selected as one of five state finalists for the Texas Association of School Administrators Outstanding School Board.

What critical challenges face the district, and what are possible solutions to address those issues? CFISD has consistently produced high-level graduates despite financial constraints and fast growth. But challenges increase every year. We must work to close all achievement gaps. We must work to correct inequities in school funding. We must recruit and retain the best employees with competitive wages and benefits. We must involve increased numbers of parents and community members in our schools. CFISD’s quality of education is its most important advantage and we must protect that asset.
**Debbie Blackshear, Position 4**

*Place on Ballot: 1*

---

**Spouse’s name:** Paul Blackshear

**Children:**
- Jason Blackshear – 39, graduated in 1994 from Cy-Fair High School
- Jeremy Blackshear – 38, graduated in 1996 from Cy-Fair High School

**Occupation:** Retired from Cy-Fair Federal Credit Union as President 12/31/2012 after a 28-year career.

**Subdivision:** Cypress Village

**Years lived within CFISD:** 37 years

---

**Why did you choose to live in CFISD?**

*My husband and I chose Cy-Fair 37 years ago because of the great reputation of the school district and quality of education.*

---

**Are you currently a CFISD volunteer? If so, what school(s)? If not, have you been a CFISD volunteer in the past (include years)?**

*Yes, I have served as a weekly reader at Danish Elementary for the past two years, reading to two first grade classes each year. I will once again be reading to two first grade classes this year. I have also served as a reader at Emmott Elementary for several years and as a mentor at Cook Middle School for two years. I have served as a bus buddy at Bang Elementary.*

---

**List your participation in CFISD school and/or district parent clubs, business partnerships and/or committees.**

*I currently serve on CFISD’s Community Leadership Committee (CLC). I co-chaired the district’s 2014 Long Range Planning Committee and served on the previous four bond committees. While at CFFCU, adopted Bang Elementary, and sponsored Emmott Elementary financially to attend Junior Achievement’s Exchange City.*
Partnered CFFCU with Bang Elementary to provide bus buddies. Served on CFISD’s 75th Anniversary Committee. Volunteer for past 25 years with the CFISD Livestock Show.

Include any other areas in which you have supported CFISD not included in the previous question.

I have served on the Cy-Fair Educational Foundation Board of Trustees since 1996, serving on the Executive Committee 2007-2015. I served as Chair of the Board, 2009-2011, Finance and Nominating committees currently. Under my leadership, CFFCU was the underwriter of Salute To The Stars, 2006-2012, raising funds for teacher grants. Served as co-chair of Salute to Our Heroes for 3 years, raising scholarship funds for graduating seniors in CFISD.

List Cy-Fair organizations in which you currently participate, including offices held.

Cy-Fair Houston Chamber of Commerce Board of Directors (co-chair Governmental Affairs Committee)
Cy-Hope Board of Directors – serve as Secretary
Lone Star College Cy-Fair President’s Advisory Committee
Towne Lake Management District Board of Directors Secretary
Cy-Fare – Sunshine Chair

Considering your skills and talents, what positive contribution would you make as a member of the Board of Trustees? I believe my leadership skills will be an asset to our Board of Trustees. I am a proponent of teamwork and teambuilding and believe that it is vital to the success of any organization. One of my strengths is consensus building and helping my team work through challenges to reach a decision that best benefits all.

What are the responsibilities of the Board of Trustees? To provide governance and oversight over education, ensuring that the interests of all students and taxpayers of the district are considered. Additionally, the Board of Trustees must establish a good working relationship with Administration to ensure the achievement of district goals and student success.

What role do positive trustee relations on the Board play in affecting student success? I believe that it is important that all trustees display respect for each other and Administration. It is important that trustees and administrators be able to express their opinions and beliefs openly and honestly among each other, build consensus, and then support that joint decision. Working together cohesively to achieve student success should always be a priority.

What critical challenges face the district, and what are possible solutions to address those issues? Fast growth in Cy-Fair. Keeping pace with facilities, highly qualified teachers, technology, and student transportation will continue to be challenging based on growth projections. Changing demographics and diversity are another challenge. We must be ready to address the needs of all students. Additionally, securing equitable funding from the state legislature continues to be a concern. We need to receive our fair share of funds from our Legislature.
Why did you choose to live in CFISD? I grew up in Houston and had always heard about the excellent CFISD school system. Once my daughter was born, I wanted her to attend CFISD schools and moved to the area in July of 1994.

Are you currently a CFISD volunteer? If so, what school(s)? If not, have you been a CFISD volunteer in the past (include years)? For the 2014-2015 school year, I served on the CPOC for Campbell Middle School as a community member. I am also on the district DEIC for 2015-2016. I served as PTO Secretary – Francone Elementary, 1999-2000; PTO President – Francone Elementary, 2000-2004; Bond Subcommittee – Student Growth, 2001 and 2004; School Finance Committee, 2004.

List your participation in CFISD school and/or district parent clubs, business partnerships and/or committees. Cypress Creek – Prom volunteer

Include any other areas in which you have supported CFISD not included in the previous question. Employed by CFISD for 14 years (Math Helping Teacher, Jowell and Lieder – 1 year; Instructional
Specialist, Lieder – 4 years; Assistant Principal, Post – 3 years; Principal, Tipps – 6 years). Served on various committees during this time, including: (Textbook committees; Code of Conduct and Student Handbook Committees; Rookie Assistant Principal presenter; All level Assistant Principal Committee on Bullying; Mentor for Principal Certification Cohort - Aspiring Administrators). Currently mentoring several CFISD aspiring administrators.

List Cy-Fair organizations in which you currently participate, including offices held. Member, Prince of Peace Catholic Community

Considering your skills and talents, what positive contribution would you make as a member of the Board of Trustees? I have a unique combination of skills and work experience that make me very qualified to make positive contributions to the Board. I have 28 years as a public school educator, which include working for Cy-Fair for 14 years. I have first-hand experience with managing budgets, since I have been a school administrator for over 10 years. I am also a licensed attorney with experience as a Controller for one of the Bankruptcy Trustees.

What are the responsibilities of the Board of Trustees? The Board of Trustees is responsible for overseeing the management of the school district. They are a governing body with their authority being granted by the Texas Education Code. Responsibilities include reviewing and setting district educational standards, approving personnel actions, reviewing and approving district budgets, expenditures, property acquisitions and sales, legal transactions, construction and maintenance authorizations. In addition, the Board of Trustees should also be an advocate in the community for quality public education.

What role do positive trustee relations on the Board play in affecting student success? School board trustees who maintain their focus, time and energy on issues facing the district, instead of a personal agenda, can come together to make sound, well-thought-out decisions that are in the best interest of students. In addition, by working together as a team, school board trustees can also serve as positive role models to district personnel, students and community.

What critical challenges face the district, and what are possible solutions to address those issues?

1. Inadequate funding from the State. We need to continue to advocate for change.

2. Hiring and retaining quality educators. The district budget must continue to include a competitive pay and benefits package.

3. Student growth and student demographics. CFISD is serving more students who are in poverty or just above the poverty level. Providing educators with the knowledge and specific skills needed to reach these students is an essential part of the solution.
